REGISTER or you cannot vote.

M. A. SMITH for Congress and **Harris Baldwin** for Joint Councilman, is the head of the Democratic ticket.

REGISTRATION will close on the 14th
of October. It behooves everyone who
has not done so to go at once and reg-
ister.

The Democratic Central Committee
has tendered the nomination of sheriff
to James Lowry. Mr. Lowry accepted
it and now the fight begins in earnest.

The Republican ticket is composed
bottom to top, of honest and intelli-
gent men, and will poll the full strength
of the Republican party in Yavapai
County.

We believe that the people of South-
ern Yavapai are willing to divide the
County on a fair and equitable basis.
This is all that this portion of the
County ever asked for and is all that
they expect to get.

HON. W. G. STEWART has been a
true friend to the interest of this
section. He is now a candidate for the
Legislative Council. Every man in
this section should vote for him re-
gardless of politics.

ROBERT BROWN, of Prescott, who
has been nominated by the Republi-
cans for District Attorney is one of the
brightest lawyers of Yavapai County.
He will make the best prosecuting
attorney Yavapai County ever had.

The harmony of the late Republican
Convention, as well as the enthusiasm
displayed during the proceedings of
that body, is something that every
Republican in Yavapai County should
feel proud of. The party started in to
win this year.

JAMES A. VAIL, the republican can-
didate for the Assembly, is a man who
has lived in this county for a number
of years. During his residence here
he has always been in business and
won the reputation of being a straight
and honest man. He will make a
good representative in the 16th Legis-
lative assembly.

Geo. E. Brown, our candidate for
County Treasurer, is an old and re-
spected resident of Yavapai County.
He will be the next treasurer and
when he turns the money over to his
successor two years from now there
will be none missing as was the case
with one Democratic treasurer of Yav-
apai County.

OUR NEXT DELEGATE.

HON. GEORGE W. CHEYNEY, the Repub-
lican nominee for Delegate to Con-
gress, says the Phoenix Herald, is a
native of the city of Philadelphia and
was 39 years of age Sept. 1st. He re-
ceived a liberal education and on
starting out in life was engaged in the
manufacture of scientific instruments.
In 1878 he started west and stopped
for a time in Kansas then in Colorado
and finally settled in Tombstone, Ari-
zona, early in the history of that re-
markable mining camp in 1881, when
he became manager of the Tombstone
Mining and Milling business, in which
position he continued till 1887. The
next year he was elected to the Ter-
ritorial Council from Cochise by an
overwhelming majority. Mr. Cheney
is pre-eminently a business man. Al-
ways quiet, self-possessed and clear
headed, he judges quickly and correctly
the character of a man and measures.
As a legislator he was noted for his
careful conservative consideration of
every proposition and always advocate
and voted on the right side of every
measure. He is possessed of a quiet
energy that is characteristic of the
successful man in every walk of life,
and should he be elected to Congress
will be able to accomplish more for
Arizona than all the Delegates that
preceded him for many years, for the
simple reason that he is a systematic,
sober and able worker, with inexhaus-
tible resources and an air that wins
the confidence of business men.—No-
gales Herald.

The Republican candidate for Prob-
ate Judge, **Mr. J. H. Murphy** has been
in this section for a number of years
and is well add favorably known. He
has been in this county since 1883 and
has resided principally in Williams
the past four years. He is one of our
most popular citizens and is, no doubt,
the strongest candidate the party could
put forth. He is an intelligent and
capable young man. Mr. Murphy was
admitted to practice before the bar of
Arizona last March and since then he
has been in active practice of his pro-
fession and has won an enviable reputa-
tion.

It would be interesting to learn on
what particular line **Mark Smith** pro-
poses to make his canvass for a third
term as delegate. Whether it is on the
masterly inactivity which has character-
ized his two terms of office or his
services to the Wham robbers, while
drawing a salary of \$5,000 a year from
the government or whether he assumes
that as "one of the boys" he will "get
there."—Journal-Miner.

The short wheat crop of Sonora will
cause a demand for the American pro-
ducts. A reciprocity treaty would en-
able the Mexicans to get their wheat
at one third less than it is sold for at
the present time in that state. They
are ready and willing to meet us half
way and the wheat raiser of Califor-
nia should receive the benefit of this
new outlet.

The Anti lottery bill is now a law
and the Louisiana Lottery Co. are
negotiating with express companies to
have them carry their circulars, tick-
ets, etc.

The Republican ticket from top to
bottom is composed of solid and sub-
stantial men, and deserves the support
of every voter in Yavapai County.

Put on the brakes
If you find you are going down hill in
point of health. Failing strength, im-
paired digestion and assimilation are
marks of decline. Check these and
other indications of premature decay
with the grand vitalizer and restor-
ing tonic, **Hoeffer's Stomach Bitters.**
Beginning at the fountain head, the
stomach, the Bitters remedies its in-
efficiency, corrects its errors, and sets
it vigorously at work. The digestive
organ is thus enabled to thoroughly
separate from the food its nutritive
principles, which the blood assimilating,
is enriched. Then is the system
nourished, and being nourished strength-
ened, and abnormal waste of its tissues
stayed. Appetite, the power to rest
well, a regular habit are also re-es-
tablished, and the various functions move
once more in their natural and health-
ful groove. The Bitters, moreover, is
a specific for and preventive of malaria
complaints, rheumatism, biliousness and
kidney troubles.

Our Debts.
The census bureau has sent out a
neat pamphlet giving the financial
condition of counties.

Arizona does not make a bad show-
ing compared with our sister territory
New Mexico. The gross debt of Ari-
zona is by counties, \$1,549,697 or an
increase for ten years of \$1,196,480.
The interests paid by the counties of
our territory is \$102,519 annually.
The net debt of the counties is \$1,212,
586 while the total available resources
are \$337,112; the bonded debt of the
counties from 1860 to 1880 is
1,050,500 in 1890, while the floating
debt has increased from 118,017 in '80
to 499,197 in 1890.

There are 45 states and territories
in the Union, Arizona ranks 29th in

amount of bonded indebtedness, 12th
as regards floating indebtedness, and
25th in total amount of indebtedness,
and the same as regards the total of
available resources.

Deafness Can't be Cured
by local applications, as they can not
reach the diseased portion of the ear.
There is only one way to cure Deafness,
and that is by constitutional remedies.
Deafness is caused by an inflamed
condition of the mucous lining of the
Eustachian Tube. When this tube
gets inflamed you have a rumbling
sound or imperfect hearing, and when
it is entirely closed Deafness is the re-
sult, and unless the inflammation can
be taken out and this tube restored to
its normal condition, hearing will be
destroyed forever; nine cases out of ten
are caused by catarrh, which is nothing
but an inflamed condition of the mucous
surfaces.

We will give One Hundred Dollars
for any case of Deafness (caused by
Catarrh) that we can not cure by taking
Hall's Catarrh Cure. Send for circulars,
free.

Peculiar

Many peculiar points make Hood's Sas-
saparilla superior to all other medicines.
Peculiar in combination, proportion,
and preparation of ingredients,
Hood's Sarsaparilla possesses
the full curative value of the
best known remedies
of the vegetable king-
dom.
Peculiar in its strength
and economy.
Hood's Sas-
saparilla is the only medi-
cine of the kind which can truly
be said to be "One Hundred Doses
in One Dollar." Medicines in
larger and smaller bottles
require larger doses, and do not
produce as good results as Hood's.
Peculiar in its medicinal merits,
Hood's Sarsaparilla accomplishes cures hith-
erto unknown, and has won for itself
the title of "The greatest blood
purifier ever discovered."

Peculiar in its "good name."
Hood's Sarsaparilla is now
"at home,"—there is now more
of Hood's Sarsaparilla sold in
Lowell, where it is made,
than of all other blood
purifiers.
Peculiar in its
reputation, and record of sales
no other preparation
has ever attained such popu-
larity in so short a time,
and retained its popularity
and confidence among all classes
of people so steadfastly.

Do not be induced to buy other preparations,
but be sure to get the Peculiar Medicine,
Hood's Sarsaparilla
Sold by all druggists, \$1; six for \$5. Prepared only
by C. L. HOOD & CO., Apothecaries, Lowell, Mass.

I Think

That between Fires, Cautions

and Peddlers, that the merchants

of Flagstaff have a pretty rough

time of it. It has been so in

my individual case, at any

rate. It does not seem

to make very much

difference with the

majority of peo-

ple what you

sell goods

at.

About five persons out of forty-five

are good judges of goods and

their value, the other thirty-

five don't know very much

about them and if you

should sell an article

away below the real

cost to the man-

ufacturer, it will

not cause any

surprise

They would think that you were

making a great big profit and

want some article thrown in.

I have known people that

would put any amount of

confidence in what a

peddler tells them &

very little in their

resident mer-

chant. Balance

of my re-

marks

Will be found in the Democrat.

I shall still continue to sell.
